September 5, 2024

The Honorable Cathy McMorris Rodgers
Chairwoman, Energy and Commerce Committee
United States House of Representatives
2188 Rayburn House Office Building
Washington, DC 20515

Dear Chairwoman McMorris Rodgers:

On behalf of the Motorcycle Riders Foundation (MRF), we urge you to use the few remaining legislative days in the 118th Congress to hold a markup hearing on H.R. 906, the REPAIR ACT.

The MRF provides leadership at the federal level for state motorcyclists' rights organizations as well as motorcycle clubs and individual riders. The MRF is chiefly concerned with issues at the national and international levels that impact the freedom and safety of American street motorcyclists. The MRF is committed to being a national advocate for the advancement of motorcycling and its associated lifestyle and works in conjunction with its partners to help educate elected officials and policymakers in Washington D.C. and beyond.

Last November we were encouraged by your leadership in supporting a markup of H.R. 906, held by the Subcommittee on Innovation, Data, and Commerce. A legislative fix is vital to the motorcycling community, because motorcycles were not included in the previous industry negotiated memorandum of understanding.

Access to parts, tools and information needed to work on our motorcycles is a critical part of the motorcycling lifestyle. The nearly 10 million bikers in this country support countless shops, aftermarket suppliers and mechanics who make up the ecosystem of motorcycling in this country. Restrictions on who and how we can repair, modify and maintain our motorcycles cuts at the fabric of this uniquely American tradition.

We are pleased H.R. 906 has garnered support from 56 bipartisan cosponsors representing 29 different states and territories. This demonstrates the REPAIR ACT has wide political and geographic support and deserves to advance through the legislative process.

Motorcycle Riders Foundation

P.O. Box 250, Highland, IL 62249

(202) 546-0983 / mrffice@mrf.org / www.mrf.org

We understand that the window for action in the 118th Congress is rapidly closing. However, any action taken now will help build on the foundation of work accomplished over the last 20 months.

Thank you for your leadership on the Energy and Commerce Committee and your support for the motorcyclists of this country.

Sincerely,

A handwritten signature in black ink, appearing to read "Kirk R. Willard".

Kirk R. Willard
President, Chairman of the Board
Motorcycle Riders Foundation

TEXAS ABATE 27TH ANNUAL STATE RALLY - "THANK YOU"

Thank you to Lake Cities ABATE members who attended and participated in the Texas ABATE 27th Annual State Rally this past weekend (Sept. 6-8, 2024)

Special thank you to Donna Aguilar who handled our State Treasurer responsibilities.

Special thank you to Laura Park and Andrew Robinson who entered Lake Cities ABATE Chapter as a contestant in the "Best Campsite" contest. Because of their exceptional theme "Casino Night" and decorations, Lake Cities won the "Best Campsite" contest.

Special thank you to all who volunteered and participated (just to mention a few – Mandy Trapp, Allen "ACE" Ryant, "DJ" Anderson, Marcus Daub, Rober Crowdis & Elmer McKeegan; as well as new Lake Cities members John Armstrong & John Tijerina). If I have forgotten to mention someone, please accept my apologies. Thank you all for representing Lake Cities ABATE Chapter and supporting Texas ABATE.

Submitted By: Terri Davison, State Assistant Coordinator & Lake Cities ABATE Secretary/Treasurer

TEXAS FYI INFORMATION

Rumble Strips 101

At a recent New Hampshire Motorcycle Task Force meeting, attendees discussed a variety of topics of interest to the riding community. One that arose at previous meetings but got more attention this time was rumble strips. Rumble strips are a roadway safety feature that reportedly support crash reduction through tactile and audio feedback to vehicle operators.

Riders in New Hampshire report issues with rumble strips, ranging from the excessive vibration they cause in their motorcycles when traversed to concern about debris and water collecting in their grooves.

To gain a better understanding of rumble strips in the Granite State, three good sources of information are available:

- 1) U.S. Department of Transportation, Federal Highway Administration (FHWA), FHWA Highway Safety Programs. *Rumble Strips and Rumble Stripes*. <https://highways.dot.gov/safety/rwd/keep-vehicles-road/rumble-strips>.
- 2) National Academies of Sciences, Engineering, and Medicine. 2009. *Guidance for the Design and Application of Shoulder and Centerline Rumble Strips*. Washington, DC: The National Academies Press. <https://doi.org/10.17226/14323>.
- 3) New Hampshire Department of Transportation (NHDOT), May 22, 2019. *Rumble Strip Guidelines*. <https://www.dot.nh.gov/sites/g/files/ehbemt811/files/inline-documents/rumble-strip-guidelines-05222019.pdf>.

Although there is a tremendous amount of detail regarding rumble strip designs in these sources, a high-level overview taken from the NHDOT document should provide enough information to understand what's use in New Hampshire and where.

There are three basic types of rumble strips – centerline (CRS), shoulder (SRS), and edge line (ERS). Of the three, only two (CRS and SRS) are frequently found in New Hampshire; the ERS is only used in special applications. All three are milled into the roadway or shoulder, based on the type and design of the roadway.

On divided highways (Tier 1), which include Interstates, Turnpike Highways, and similar Limited Access divided highways, only SRS are specified for use in the right and left side shoulders.

On undivided highways (Tier 2, 3, & 4), both CRS and SRS are specified for use, if certain roadway design features such as minimum speed and pavement width and conditions are met.

In New Hampshire, there are two rumble strip patterns in use.

<https://mm.nh.gov/files/uploads/dot/remote-docs/districts-map-city-town-crosswalk.pdf> for contact information.

Finally, bring unsafe conditions to the attention of the NHMRO Officers or Board of Directors at a meeting or using contact information on the NHMRO website at <https://nhmro.org>.

As rumble strips appear in more locations around our state, learning to deal with them is critical to two- and three-wheeled safety. Take the time to report what just doesn't seem right on our roadways.

“Sometimes you really need a crooked road, to get your head straight.” – Anonymous

MOTORCYCLE SAFETY CHECKLIST

MAINTAINANCE  Always keep up with regular motorcycle maintenance. Change your gas, check your breaks, and inspect your tires, headlights, and turn signals before riding.

RIDING SAFETY  Make sure to follow the speed limit and take caution when driving between lanes. Always anticipate drivers' next moves and avoid riding in the blind spots of vehicles around you.

VISIBILITY  Motorcycles themselves can be more difficult to spot while on the road. Wearing bright and reflective clothing and having the proper lights on your bike help drivers see you at all times.

RIDING GEAR  Wearing a helmet is also one of the best ways to prevent fatal motorcycle accidents. Gloves and leather clothing can also prevent road rash in the event of an accident.

Independant Rep & Board Member

Texas ABATE Membership

As you know, membership is one of the key ingredients to sustaining Texas ABATE and without our members we would cease to exist. According to Merriam-Webster, the definition of membership is: 1) the state or status of being a member; 2) or the body of members. ABATE members are not only a state, status, or body of numbers; we are Texas constituents, voices and votes.

Help increase our Texas ABATE membership by signing up and sponsoring new members to join our organization. Use the recipe below to encourage individuals to join.

S – *Sustainability*...Assist in the growth of Texas ABATE membership

U – *Understanding*...Knowledge of what Texas ABATE stands for and our mission

C – *Communications* ...Maintain open communications

C – *Cooperation*...Cooperation is vital to achieving ideals and goals

E – *Education*...Promote compliance with the laws of Texas public roads & highways

S – *Safety*...Promote safety of both motorcyclists and motorists

S – *SUCCESS*...ACHIEVE favorable and desired outcome(s)

basically because you feel good,
very good, when you are near
or with them.*

- Bukowski

The MRF's primary goals include:

- Monitoring and influencing federal legislation for any impact on the motorcycling community at large
- Representing street motorcyclists by participating in federal research and advisory committees
- Protecting street motorcyclists from unfair or burdensome federal agency restrictions and regulations
- Ending discrimination against street motorcyclists
- Providing all street motorcyclists with direction and information to protect their motorcycling rights
- Promoting motorcycling safety, training, education, licensing and public awareness on American roads

WHO WE ARE

The Motorcycle Riders Foundation is the Nation's premiere motorcyclists' rights organization that is chiefly concerned with issues at the national and international levels that impact the freedom and safety of American street motorcyclists. We are also committed to educating rights advocates to improve effectiveness at the state and local levels. The MRF works together with street motorcyclists, State Motorcyclists' Rights Organizations (SMROs), the motorcycle industry, the media and other organizations, assisting them with state and local agendas as well as working with them to influence action and policy in Washington, DC - from the Congress to government departments and agencies to the Office of the President of the United States. We also work with allies in Canada, Europe and Asia to influence talks on vehicle globalization and harmonization that are proceeding under the United Nations and the World Health Organization.
