MRF Press Release

EPA to Allow Summer Sales of E15

Friday, the Biden Administration issued an emergency waiver allowing for the sale of E15 from June 1st to September 15th. Restrictions on fuel volatility have limited the sale of E15 to the months outside of summer. This move by the Biden Administration is an attempt to appease lawmakers from corn producing states, who for years have lobbied for year-round use of the fuel. A similar emergency waiver was issued in 2022.

As always read your owner's manual, know what you are putting in your bike, and be an educated consumer

Editor's note:

This is the second year in a row EPA is waiving air pollution rules – ostensibly to provide financial relief at the pump for America's road users.

Meanwhile, back in the real world, states such as California, Massachusetts and Washington are setting timelines for the ban of combustion engines. If you have not contacted your congressional officials concerning H.R. 1435, the "Preserving Choice in Vehicle Purchases Act", this might be a good time to do so. H.R. 1435 would amend the Clean Air Act to prevent a ban on the sale of internal combustion engines, effectively trumping any state law that outlaws their sale.

National Motorcycle Museum Closes

Story by Kyle Smith

We've known that the National Motorcycle Museum would close on September 5 of 2023, but only this week did we learn that hundreds of bikes and thousands of pieces of memorabilia will be sold to the public days after the doors are closed for the last time. The sale will be handled by Mecum Auctions and is set for September 6–9, according to the [auction house's website](#).

The collection is the brainchild and passion project of John and Jill Parham, founders of J&P Cycles. John was also inducted into the American Motorcycle Association (AMA) Hall of Fame. The Parham's founded the museum 22 years ago in the Anamosa, Iowa, building which it currently occupies.

Though Mecum has yet to post a complete list with final descriptions, we do know that 300

motorcycles will be consigned, along with 6000 pieces of artwork and memorabilia grouped into roughly 1000 lots.

The heavy-hitter bikes include a 1936 Norton International Road Racer and 1927 Brough Superior SS100 Pendine, along with a 1955 Vincent Black Prince, a pair of mid-century Rapides, a 1952 Black Shadow, and more. A desirable 1937 Harley-Davidson EL Knuckle-head just one of the noteworthy Harley models expected to sell.

A preview day will kick off the sale on September 5. Those interested in bidding will need to register and pay \$100 either in Iowa or online, in advance, on [Mecum's website](#). Bidder's registration includes tickets for two people to attend the sale, which is only open to registered bidders.
